#### ITEM 4. PURPOSE OF TRANSACTION

MIH entered into the Share Purchase Agreement for strategic purposes. The transfer of the Sale Shares to the Issuer in exchange for the issuance of the Purchase Shares is expected to allow the Issuer to enjoy a larger exposure to the India travel market and benefit from the growth of MakeMyTrip. The Reporting Persons believe that continuing to support the Issuer and MakeMyTrip as a shareholder will create additional value for Naspers and its shareholders.

The Reporting Persons will routinely monitor and review a wide variety of considerations with respect to the Issuer, including, without limitation, the Issuer's operations, assets, prospects and business development, its management and board of directors, its capital structure, its competitive position and strategic matters and general economic, financial market and industry conditions, and will also routinely monitor and review potential responses on the part of the Issuer to such considerations, including, without limitation, potential investment opportunities and strategies and potential strategic transactions. The Reporting Persons have discussed, and expect to continue to discuss, any or all of these matters with representatives of the Issuer's management or board of directors, with other shareholders of the Issuer and with other interested third parties. The Reporting Persons may, as a result of this monitoring, review and discussions, acquire additional securities of the Issuer, sell securities of the Issuer or make proposals to the Issuer or other shareholders of the Issuer concerning the composition of the Issuer's board of directors, potential strategic transactions involving the Issuer or purchases or sales of securities of the Issuer. In addition, the Reporting Persons may respond to proposals from other shareholders of the Issuer or third parties concerning potential strategic transactions involving the Issuer. MIH may also distribute or otherwise transfer Purchase Shares to its shareholders, to any of the Naspers Entities or to any of Naspers subsidiaries.

The responses set forth in Items 3 and 6 of this Statement on Schedule 13D are incorporated by reference in their entirety into this Item 4.

Except as discussed above, none of the Reporting Persons nor, to the best of the Reporting Persons' knowledge, the persons listed in Schedule A or B, have any present plans or proposals which relate to or would result in any of the matters referred to in Items 4(a) through 4(j) of Schedule 13D promulgated under the Act. However, the Reporting Persons reserve the right to change their plans at any time, as they deem appropriate, in light of the foregoing considerations, discussions and other factors.

#### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

- (a) See Items 7 through 13 on the cover pages to this Statement on Schedule 13D, which are incorporated by reference in their entirety into this Item 5(a). MIH is the holder of record of the Purchase Shares. Each of the Naspers Entities may be considered to beneficially own in aggregate 4,108,831 Ordinary Shares, representing 5.6% of the Issuer's Ordinary Shares, by virtue of its direct and indirect ownership of all of the equity and voting power in MIH B2C and 91.29% of the equity and voting power in MIH. The percentage of Ordinary Shares beneficially owned by the Naspers Entities is based upon 73,548,672 issued and outstanding Ordinary Shares (excluding 2,929,123 treasury shares of the Issuer and 1,915,564 Ordinary Shares issued to Bank of New York Mellon, the depository of the Issuer's ADS program, for bulk issuance of ADSs reserved for future issuances upon the exercise or vesting of awards granted under the Issuer's stock incentive plans and for the Issuer's treasury ADSs, and including 4,108,831 Ordinary Shares issued to MIH Internet SEA Private Limited under the Share Purchase Agreement), as of the Closing Date.
  - (b) As of the date hereof, and as a result of the Reporting Persons' beneficial ownership, in aggregate, of 4,108,831 Ordinary Shares, the Reporting Persons are deemed to beneficially own, in aggregate, by reason of the provisions of Rule 13d-3 under the Act, 4,108,831 Ordinary Shares. The number of Ordinary Shares as to which there is sole power to vote or direct the vote, shared power to vote or direct the vote, sole power to dispose or direct the disposition, or shared power to dispose or direct the disposition for the Reporting Persons is set forth in Items 7 through 13 on the cover pages to this Statement on Schedule 13D, which are incorporated by reference in their entirety into this Item 5(b). See Item 2 of this Statement on Schedule 13D for information on the Naspers Entities.
  - (c) Except as reported in this Statement on Schedule 13D, there have been no transactions effected by the Reporting Persons with respect to any Ordinary Shares in the past 60 days.
  - (d) MIH is currently the only person that has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Purchase Shares.
  - (e) Not applicable.

## ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The Issuer, MIH and MIH B2C are parties to the Share Purchase Agreement, a copy of which is incorporated by reference to Exhibit 99.1 to Amendment No. 1 to Schedule 13D filed by the Reporting Persons with the Securities and Exchange Commission on April 26, 2019, regarding MakeMyTrip Limited (File No. 005-85619), and which is incorporated in its entirety into this Item 6. In connection with the Share Purchase Agreement, the Issuer and MIH entered into a registration rights agreement, dated as of August 30, 2019 (the "Registration Rights Agreement"), a copy of which is attached to this Statement on Schedule 13D as Exhibit 99.2 hereto and is incorporated in its entirety into this Item 6. Also in connection with the Share Purchase Agreement, the Issuer, MIH and Myriad entered into a cooperation agreement, dated as of August 30, 2019 (the "Cooperation Agreement" and, together with the Share Purchase Agreement and the Registration Rights Agreement, the "Agreements"), a copy of which is attached to this Statement on Schedule 13D as Exhibit 99.3 hereto and is incorporated in its entirety into this Item 6.

The Agreements have been included to provide investors with information regarding their terms. It is not intended to provide any other factual information about the Reporting Persons, the Issuer or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Agreements were made only for purposes thereof and as of specific dates, were solely for the benefit of the parties thereto, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreements instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Agreements and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Agreements, which subsequent information may or may not be fully reflected in the Issuer's public disclosures.

Except as described in this Statement on Schedule 13D and in the Agreements, which are incorporated herein by reference and set forth as exhibits hereto, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between any of the persons named in Item 2 and any person with respect to the securities of the Issuer, including, without limitation, the transfer or voting of any of the securities, finders fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies or any pledge or contingency, the occurrence of which would give another person voting or investment power over the securities of the Issuer.

### Share Purchase Agreement

*Purchase and Sale of the Purchase Shares.* As described above, the Share Purchase Agreement sets forth the terms and conditions pursuant to which MIH agreed to acquire the Purchase Shares in exchange for the sale of the Sale Shares to the Issuer and the Issuer agreed to acquire the Sale Shares in exchange for the issuance and delivery to MIH of the Purchase Shares.

*MIH Lock-Up.* Among other provisions, the Share Purchase Agreement provides that, subject to exceptions described therein, MIH will not, and will cause its affiliates not to, sell, offer or contract to sell, pledge, lend or otherwise transfer or dispose of, directly or indirectly, more than 10% of the Purchase Shares, during the period commencing on the Closing Date and ending on the earlier of (i) 180 days following the Closing Date, (ii) the date on which the Issuer consummates specified transactions with an unaffiliated third party that results in all of the Issuer's shareholders' receiving cash, securities or other property in exchange for, or as a distribution representing all or substantially all the value of, their equity holdings in the Issuer and (iii) the date of commencement of a tender or exchange offer as a result of which unaffiliated third parties will beneficially own a majority of the voting securities of the Issuer or otherwise have the power to elect the majority of the members of the Issuer's board of directors.

The foregoing description of the Share Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Share Purchase Agreement.

---

## Registration Rights Agreement

*Piggyback and Demand Registration Rights.* The Purchase Shares are unlisted, not admitted to trading on any stock exchange and subject to, as described above, restrictions on transfer for a certain period of time after the Closing. However, the Purchase Shares are registrable shares under the Registration Rights Agreement, pursuant to which the Issuer has agreed to provide certain piggyback registration rights and demand registration rights to MIH and its permitted transferees, subject to certain conditions and exceptions described in the Registration Rights Agreement.

*Termination.* The Registration Rights Agreement will terminate (i) on the first date on which all Registrable Securities (as defined therein) have been sold pursuant to any registration thereunder or when all Equity Securities (as defined therein) cease to be Registrable Securities or (ii) upon the termination of the Cooperation Agreement pursuant to Section 4.2(a)(ii)(A) thereof.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is filed as Exhibit 99.2 hereto and incorporated herein by reference.

## Cooperation Agreement

*Standstill.* MIH agreed to comply, and cause its affiliates to comply, with certain standstill obligations described in the Cooperation Agreement, including not to purchase Ordinary Shares and as a result become the holder of more than 11.0% of the Issuer's issued and outstanding share capital on an actual basis, subject to certain conditions, exceptions and suspension events described in the Cooperation Agreement. Such standstill obligations will terminate automatically upon the earliest to occur of (a) the consummation of a Company Sale (as defined in the Cooperation Agreement) or (b) the mutual written consent of the Issuer and MIH.

*Shareholder Representative.* MIH has the right to designate one individual to attend all meetings of the Issuer's board of directors in a non-voting, observer capacity, subject to conditions described in the Cooperation Agreement, including that MIH and its affiliates beneficially own in the aggregate at least 3,747,253 Ordinary Shares (including Ordinary Shares represented by ADSs), subject to adjustments described in the Cooperation Agreement. Such individual designated by MIH shall be provided with notice of all meetings of the Issuer's board of directors and a copy of all materials provided to the members of that board.

*Investment Restrictions.* MIH agreed to comply, and cause its affiliates to comply, with certain restrictions on participation in specified transactions with an agreed list of competitors, including any acquisition of securities or assets of such competitors or any transactions with similar effects, subject to conditions and exceptions described in the Cooperation Agreement.

*Transfer Restrictions.* The Issuer has a right of first refusal with respect to transfers of Ordinary Shares by MIH to an agreed list of competitors, provided that if the aggregate value of the consideration to be payable by the transferee exceeds an amount separately acknowledged by the Shareholder and the Issuer, then the Issuer may exercise its right of first refusal at such amount, subject to further terms and conditions provided in the Cooperation Agreement.

*Anti-Dilution Right.* At any time after MIH gives written notice to the Issuer that MIH and its affiliates beneficially own at least 10.7% of the Issuer's issued and outstanding share capital on an actual basis, if the Issuer proposes to sell, offer or issue any new equity securities that would, giving effect on a pro forma basis to such transactions, reduce the aggregate percentage ownership of Ordinary Shares (including Ordinary Shares represented by ADSs) beneficially owned by MIH and its Affiliates to an amount less than 10.0% of the Issuer's issued and outstanding share capital on an actual basis, MIH and its affiliates will have an anti-dilution right to maintain their equity holding in the Issuer at a minimum of 10.0% of the Issuer's issued and outstanding share capital on an actual basis, subject to further terms, conditions and exceptions provided in the Cooperation Agreement. The price per share payable by MIH and its affiliates in connection with the exercise of such anti-dilution right will be the volume-weighted average price of the primary listed and traded equity security of the Issuer for the 30 trading days immediately preceding the date of the relevant event.

*Company Rights Agreement.* The Issuer agreed not to, and to cause the Rights Agent under the Issuer's shareholder rights plan not to, supplement or amend in any way the definition of Exempt Person in the related Rights Agreement insofar as it relates to Naspers, MIH or their subsidiaries in any way that would change or would reasonably be expected to adversely affect their status as Exempt Persons, in any case without prior written consent of MIH B2C, unless and until the Cooperation Agreement is terminated by the Issuer pursuant to Section 4.2 thereunder.

---

*Termination.* The Cooperation Agreement may be terminated immediately (i) by the Issuer, if MIH and its affiliates, in the aggregate, beneficially own less than 3,747,253 Ordinary Shares (including Ordinary Shares represented by ADSs), subject to adjustments described in the Cooperation Agreement, (ii) by the Issuer, if MIH or any of its affiliates fail to comply in any material respect with (A) with the investment and transfer restrictions in the Cooperation Agreement or (B) any other provision of the Cooperation Agreement, subject to a 20-day cure period, or (iii) by MIH, if the Issuer fails to comply in any material respect with the provisions of the Cooperation Agreement, subject to a 20-day cure period. The Cooperation Agreement may also be terminated upon the mutual written consent of the Issuer and MIH.

The foregoing description of the Cooperation Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Cooperation Agreement, which is filed as Exhibit 99.3 hereto and incorporated herein by reference.

**2. Registration Rights.**

**2.1 Piggyback Registrations.**

- (a) The Company shall notify the Investor in writing at least five (5) days prior to filing any Registration Statement under the Securities Act for purposes of effecting a public offering of securities of the Company (including Registration Statements relating to primary offerings of securities for the Company’s own account and secondary offerings of securities for the account of other proposed sellers, but excluding Registration Statements filed under Section 2.2 of this Agreement or relating to any employee benefit plan or a corporate reorganization), and shall afford the Investor an opportunity to include in such Registration Statement all or any part of the Registrable Securities then held by the Investor (“Piggyback Registration”). If the Investor desires to include in any such Piggyback Registration all or any part of the Registrable Securities held by it, it shall within five (5) days after receipt of the above-described notice from the Company, so notify the Company in writing and in such notice shall inform the Company of the number of Registrable Securities that the Investor wishes to include in such Piggyback Registration. Upon receipt of the notice from the Investor requesting that all or any part of its Registrable Securities are included in a Piggyback Registration, the Company shall use its reasonable best efforts to cause all such Registrable Securities held by the Investor with respect to which the Company has received such written request for inclusion, to be included in such Piggyback Registration on the same terms and conditions as the Company’s securities being sold in such Piggyback Registration. If the Investor decides not to include all of its Registrable Securities in any Piggyback Registration thereafter filed by the Company, the Investor shall nevertheless continue to have the right to include any Registrable Securities in any subsequent Registration Statement or Registration Statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

- (b) Underwriting. If a Registration Statement under which the Company gives notice under Section 2.1(a) is for an underwritten offering, then the Company shall so advise the Investor. In such event, the right of any of the Investor's Registrable Securities to be included in a registration pursuant to Section 2.1(a) shall be conditioned upon the Investor's participation in such underwriting and the inclusion of the Investor's Registrable Securities in the underwriting to the extent provided herein. If the Investor proposes to distribute its Registrable Securities through such underwriting, the Investor shall enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting. . If the Investor disapproves of the terms of any such underwriting, the Investor may elect to withdraw therefrom by written notice to the Company and the underwriter(s), delivered at least five (5) days prior to the effective date of the Registration Statement. Any Registrable Securities withdrawn from such underwriting shall be withdrawn from the registration.
- (c) Priority on Piggyback Registrations. If, in connection with a Piggyback Registration, the managing underwriter(s) determine(s) in good faith that the inclusion of all the securities sought to be included in the Piggyback Registration by the Company and all holders of Registrable Securities who have sought to have securities registered pursuant to any rights, whether pursuant to "piggyback" or other incidental or participation registration rights or otherwise, require a limitation of the number of securities to be underwritten so that the distribution of the securities sought to be sold pursuant to the Piggyback Registration is not adversely affected, then the managing underwriter(s) may exclude securities from the Piggyback Registration and the underwriting, and the number of securities that may be included in the registration and the underwriting shall be allocated as follows:
- (i) if the Piggyback Registration is in connection with the registration of an offering for the Company's own account, then (A) first, the securities sought to be included by the Company, and (B) second, the securities sought to be included by all existing and future holders of Registrable Securities that have requested to participate in such underwritten offering (*pro rata* in proportion to the number of securities sought to be included in such offering by such holders); and
- (ii) if the Piggyback Registration relates to an offering other than for the Company's own account, then (A) first, the securities sought to be included by sellers who have exercised demand registration rights, *pro rata* in proportion to the number of securities sought to be registered by all such demanding sellers, (B) second, the securities sought to be included by all existing and future holders of Registrable Securities that have requested to participate in such underwritten offering, *pro rata* in proportion to the number of securities sought to be registered by all such holders, and (C) third, the securities sought to be included by the Company.
- (d) No Limit. Except as otherwise provided herein, there shall be no limit on the number of times the Investor may request registration of Registrable Securities under this Section 2.1.

## 2.2 Demand Registration.

- (a) From and after the date that is six (6) months after the date of this Agreement, in case the Company shall receive from the Investor a written request or requests that the Company effect a Registration (“Demand Registration”), which if the Company is a WKSI as of the filing date thereof, shall be an automatic Shelf Registration Statement, and any related qualification or compliance, with respect to all or any part of the Registrable Securities owned by the Investor, then the Company shall file and use its best efforts (i) to cause the Registration Statement covering such Registrable Securities to be declared effective under the Securities Act (unless it becomes effective automatically upon filing) as promptly as possible after the filing thereof, and (ii) to keep such Registration Statement continuously effective under the Securities Act until such date as is the earlier of (x) the date on which all Registrable Securities covered by such Registration Statement have been sold or (y) the date on which the Registrable Securities may be sold without any restriction pursuant to Rule 144.
- (b) Notwithstanding anything to the contrary provided above, the Company shall not be obligated to effect any such Registration, qualification or compliance pursuant to this Section 2.2:
- (1) if the aggregate anticipated price to the public of any Registrable Securities which the Investor proposes to sell pursuant to such registration, together with the aggregate anticipated price to the public of any other securities of the Company entitled to inclusion in such registration, is less than US\$50,000,000 (or the equivalent thereof in other currencies), unless such Registration covers all remaining Registrable Securities;
  - (2) if the Company shall furnish to the Investor a certificate certifying the same signed by the Chief Executive Officer stating that in the good faith judgment of the Board, it would be materially detrimental to the Company and its shareholders for such registration to be effected at such time, in which event the Company shall have the right to defer the filing of the Registration Statement no more than once during any twelve (12) month period for a period of not more than ninety (90) days after receipt of the request of the Investor under this Section 2.2(a); provided, however, that such period shall terminate if the Company registers any of its other Shares during such period; or
  - (3) if the Company has, within the six (6) month period preceding the date of such request, already effected a registration under the Securities Act other than a registration from which the Registrable Securities of the Investor have been excluded (with respect to all or any portion of the Registrable Securities the Investor requested be included in such registration) pursuant to Section 2.1(b).

- (c) No Limit. Except as otherwise provided herein, there shall be no limit on the number of times the Investor may request Registration of Registrable Securities under this Section 2.2.
- (d) Selection of Underwriters. In connection with a Demand Registration, the Investor may elect to have Registrable Securities sold in an underwritten offering. Whenever a Demand Registration involves an underwritten offering, the Investor may select the investment banker or investment bankers and managers that will serve as lead and co-managing underwriters with respect to the offering of such Registrable Securities, subject to the Company's prior written consent (such consent not be unreasonably withheld, delayed or conditioned).
- (e) Priority on Demand Registrations. If, in connection with a Demand Registration, the managing underwriter(s) determine(s) in good faith that the inclusion of all the securities sought to be included in the Demand Registration by the Investor, Baidu, the Company and other proposed sellers who have sought to have securities registered pursuant to any rights, whether pursuant to "piggyback" or other incidental or participation registration rights or otherwise, require a limitation of the number of securities to be underwritten so that the distribution of the securities sought to be sold pursuant to the Demand Registration is not adversely affected, then the managing underwriter(s) may exclude securities from the Demand Registration and the underwriting, and the number of securities that may be included in the registration and the underwriting shall be allocated as follows: (i) first, the Registrable Securities sought to be included by the Investor, (ii) second, the securities sought to be included by Baidu, and (iii) third, the securities to be included by the Company and any other proposed sellers in such priority as the Company determines.

**2.3 Expenses.** All expenses, other than the underwriting discounts and selling commissions and any issuance fees of the ADSs payable to the depositary in accordance with the Depositary Agreement (which shall be borne by each selling shareholder on a *pro rata* portion based on the number of Registrable Securities registered by each selling shareholder) applicable to the sale of Registrable Securities pursuant to this Agreement, incurred in connection with Registrations, filings or qualifications pursuant to this Agreement, including but without limitation all Registration, filing and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Company and reasonable fees and disbursement of the Investor's counsel, shall be borne by the Company. The Company shall not, however, be required to pay for any expenses of any Registration proceeding begun pursuant to this Agreement if the Registration request is subsequently withdrawn at the request of the Investor.

**2.4 Obligations of the Company.** Whenever required to effect the registration of any Registrable Securities under this Agreement the Company shall, as expeditiously as reasonably possible:

- (a) Registration Statement. Prepare and file with the Commission a Registration Statement with respect to such Registrable Securities, use its best efforts to cause such Registration Statement to become effective and keep such Registration Statement effective for the period specified in this Section 2 and if not so specified herein, for the lesser of (i) 180 days and (ii) such shorter period which will terminate when all Registrable Securities covered by such Registration Statement have been sold in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement; provided, however, that (i) such 180-day period shall be extended for a period of time equal to the period the Investor refrains from selling any securities included in such registration at the request of the Company or the underwriter(s) or is prevented from selling any securities included in such registration by reason of any stop order, injunction or other order or requirement of the Commission or other Governmental Authority, and (ii) in the case of any registration of Registrable Securities on a Shelf Registration Statement which are intended to be offered on a continuous or delayed basis, such 180 day period shall be extended, to the extent necessary, to keep the Shelf Registration Statement effective until all such Registrable Securities are sold.

- (b) Amendments and Supplements. Prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement, including, but not limited to (A) keep such Registration Statement effective, and (B) not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein in order to make the statements made, in light of the circumstances under which they were made, not misleading.
- (c) Avoidance of Suspension. Use its best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of the Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.
- (d) Prospectuses. Furnish to the Investor such number of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of the Registrable Securities owned by them that are included in such registration, as well as, if requested by the lead or co-managing underwriters, if any, or any selling shareholder, as promptly as reasonably practicable, include in a prospectus supplement or post-effective amendment such information as the lead or co-managing underwriters, if any, and such selling shareholder may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Company has received such request.
- (e) Blue Sky. Use its best efforts to register and qualify the securities covered by such Registration Statement under such other securities or “blue sky” laws of such jurisdictions as shall be reasonably requested by the Investor, provided, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act.

- (f) Underwriting. In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement in usual and customary form, with the managing underwriter(s) of such offering and take such other actions as are prudent and reasonably required in order to expedite or facilitate the disposition of such Registrable Securities, including causing its officers to participate in “road shows” and other information meetings organized by an underwriter in connection therewith. If the Investor participates in such underwriting, the Investor shall also enter into and perform its obligations under such an agreement.
- (g) Notification. Notify the Investor if the Investor has Registrable Securities covered by such Registration Statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of (i) the issuance of any stop order by the Commission in respect of such Registration Statement, or (ii) the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and at the request of the Investor, prepare and furnish to the Investor a reasonable number of copies of a supplement or amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Ordinary Shares, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in light of the circumstances then existing.
- (h) Opinion and Comfort Letters. Furnish, at the request of the Investor, on the date that such Registrable Securities are delivered to the underwriter(s) for sale, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the Registration Statement with respect to such securities becomes effective, (i) opinion letters and negative assurance letters, dated as of such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and reasonably satisfactory to the Investor, addressed to the underwriters, if any, and to the Investor and (ii) a “comfort” letter, dated as of such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering and reasonably satisfactory to the Investor, addressed to the underwriters, if any, and to the Investor.

- (i) Transfer Agent and CUSIP. Provide and maintain a transfer agent and registrar for all Registrable Securities covered by such Registration Statement and held by the Investor and, where applicable, a CUSIP number for all those Registrable Securities, in each case not later than the effective date of the Registration.
- (j) Delivery of Securities. Cooperate with the selling shareholders and the lead managing underwriters to facilitate the timely delivery of the securities sold under any Registration Statement (which shall not bear any restrictive legends unless required under applicable Law), in such denominations and registered in such names as the lead managing underwriters or such selling shareholders may request.
- (k) Further Actions. (A) Take all reasonable action necessary to list the Registrable Securities on the primary exchange upon which the Company's securities are traded, (B) use reasonable best efforts to cause such Registrable Securities covered by such Registration Statement to be registered with or approved by such other Governmental Authorities as may be necessary to enable the selling shareholder(s) thereof to consummate the disposition of such Registrable Securities and (C) take all other customary actions reasonably requested by the selling shareholders or the lead managing underwriters pursuant to this Article II to effect the intent of this Agreement.

**2.5 Furnish Information.** It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 2 that the Investor furnishes to the Company such information regarding itself, the Registrable Securities held by it, the intended method of disposition of such securities and other information as shall be required to timely effect the Registration of its Registrable Securities.

**2.6 Indemnification.** In the event any Registrable Securities are included in a Registration Statement under this Section 2:

- (a) Indemnification by the Company. To the extent permitted by law, the Company shall indemnify and hold harmless the Investor, its partners, officers, directors, legal counsel, any underwriter (as defined in the Securities Act) for the Investor and each Person, if any, who controls the Investor or underwriter within the meaning of the Securities Act or the Exchange Act, against all losses, claims, damages and liabilities (joint or several; or actions, proceedings or settlements in respect thereof) to which they may become subject under laws which are applicable to the Company and relate to action or inaction required of the Company in connection with any registration, qualification or compliance, insofar as such losses, claims, damages or liabilities (or actions, proceedings or settlements in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "**Violation**"):
  - (i) any untrue statement or alleged untrue statement of a material fact contained in such Registration Statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto;

- (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading; or
- (iii) any violation or alleged violation by the Company of the Applicable Securities Law, or any rule or regulation promulgated under the Applicable Securities Law;

and the Company shall reimburse the Investor, and its respective partners, officers, directors, legal counsel, underwriter and controlling Person for any legal or other expenses reasonably incurred by them, as such expenses are incurred, in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.6(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by the Investor, partner, officer, director, legal counsel, underwriter or controlling Person of such Investor.

- (b) Indemnification by the Investor. To the extent permitted by law, the Investor (severally but not jointly with its Permitted Transferees, if applicable) shall, if Registrable Securities held by the Investor (and/or its Permitted Transferees, if applicable) are included in the securities as to which such registration, qualifications or compliance is being effected, indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the Registration Statement, each Person, if any, who controls the Company within the meaning of the Securities Act and any underwriter, against any losses, claims, damages or liabilities (joint or several) to which the Company or any such director, officer, legal counsel, controlling Person underwriter may become subject under the Securities Act, the Exchange Act or other United States federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereto) arise out of or are based upon any of the following statements, omissions or Violations, in each case to the extent (and only to the extent) that such statement, omission or Violation occurs in sole reliance upon and in conformity with written information furnished by the Investor (and/or its Permitted Transferees, if applicable) expressly for use in connection with such registration:
  - (i) untrue statement or alleged untrue statement of a material fact contained in such Registration Statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto; or

- (ii) omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading,

and the Investor (severally but not jointly with its Permitted Transferees, if applicable) shall reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer, controlling Person or underwriter in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.6(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Investor (and/or its Permitted Transferees, if applicable), which consent shall not be unreasonably withheld; and provided, further, that except for liability for willful fraud or misrepresentation, in no event shall any indemnity under this Section 2.6(b) exceed the net proceeds received by the Investor in such registration.

- (c) Notice. Promptly after receipt by an indemnified party of notice of the commencement of any action (including any governmental action), such indemnified party shall, if a claim in respect thereof is to be made against any indemnifying party, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, as incurred, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential conflict of interests between such indemnified party and any other party represented by such counsel in such proceeding.

- (d) Contribution.

- (i) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in this Section 2.6 is for any reason held to be unenforceable by the indemnified parties although applicable in accordance with its terms in respect of any losses, claims, damages and liabilities suffered by an indemnified party, each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages and liabilities in such proportion as is appropriate to reflect the relative fault of the Company, on the one hand, and of the liable Investor and/or its Permitted Transferees, if applicable (including, in each case, that of their respective officers, directors, employees and agents), on the other, in connection with the statements or omissions which resulted in such losses, claims, damages and liabilities, as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the liable Investor and/or its Permitted Transferees, if applicable (including, in each case, their respective officers, directors, employees and agents), on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or by or on behalf of the Investor and/or its Permitted Transferees, if applicable, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages and liabilities referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

- (ii) The Parties agree that it would not be just and equitable if contribution pursuant to this Section 2.6(d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in subparagraph (i) above. Notwithstanding this Section 2.6(d), in the case of distributions to the public, the Investor and/or its Permitted Transferees, if applicable, shall not be required to contribute any amount in excess of the amount by which (A) the total price at which the Registrable Securities sold by them and distributed to the public were offered to the public exceeds (B) the amount of any damages which the Investor and/or its Permitted Transferees, if applicable, have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

No indemnifying party, in the defense of any such claim or litigation, shall, except with the consent of each indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

**2.9 Termination.** The Company shall have no obligations to register any Registrable Securities proposed to be sold by the Investor if all such Registrable Securities proposed to be sold by the Investor may then be freely sold without registration and without restriction (including, volume limitations) pursuant to Rule 144 promulgated under the Securities Act.

**3. Term and Termination.**

**3.1** This Agreement shall be effective as of the date hereof, and shall terminate (i) on the first date on which all Registrable Securities have been sold pursuant to any registration hereunder or when all Equity Securities cease to be Registrable Securities, or (ii) upon the termination of the Cooperation Agreement pursuant to Section 4.2(a)(i)(A) therein.

- (c) Any party to this Agreement may notify the other parties of any change to its address or other details specified in this section; *provided that* such notification shall only be effective on the date specified in such notice or five (5) Business Days after the notice is given, whichever is later.

**4.4 Successors and Assigns.** This Agreement shall be binding upon and inure solely to the benefit of each Party, and nothing in this Agreement, express or implied, is intended to confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Neither this Agreement nor any of the rights or obligations of any Party may be assigned by any Party without the prior written consent of the other Party, except that the rights of the Investor with respect to any Registrable Securities may be assigned to a Permitted Transferee of the Investor (i) to which Registrable Securities have been transferred and (ii) who executes and delivers to the Company a written instrument in form and substance reasonably satisfactory to the Company agreeing to be bound by, and entitled to the benefits of, the terms of this Agreement, and any purported assignment in breach hereof by the Investor shall be void. Each party hereto who transfers Equity Securities to a Permitted Transferee shall cause such Permitted Transferee to execute and deliver to the Company a written instrument in form and substance reasonably satisfactory to the Company agreeing to be bound by and entitled to the benefits of, the terms of this Agreement. From and after the date of any assignment of the rights of the Investor with respect to any Registrable Securities to a Permitted Transferee (or by a Permitted Transferee to another Permitted Transferee), all references to "the Investor" in this Agreement shall be deemed to include such Permitted Transferees, unless the context otherwise requires.

**4.5 Headings and Titles.** Headings and titles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

**4.6 Expenses.** If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such Party may be entitled.

**4.7 Entire Agreement; Amendments and Waivers.** This Agreement constitutes the full and entire understanding and agreement among the Parties with regard to the subjects hereof and thereof, and supersedes all other agreements between or among any of the Parties with respect to the subject matter hereof. Any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of both Parties.

**4.8 Severability.** If a provision of this Agreement is held to be unenforceable under applicable Laws, such provision shall be excluded from this Agreement and the remainder of the Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the end that the transactions contemplated hereby are fulfilled to the extent possible.

**4.9 Further Assurances.** The Parties agree to execute such further instruments and to take such further action as may be reasonably necessary to carry out the intent of this Agreement.

**4.10 Rights Cumulative.** Each and all of the various rights, powers and remedies of a Party hereto will be considered to be cumulative with and in addition to any other rights, powers and remedies which such Party may have at law or in equity in the event of the breach of any of the terms of this Agreement. The exercise or partial exercise of any right, power or remedy will neither constitute the exclusive election thereof nor the waiver of any other right, power or remedy available to such Party.

**4.11 No Waiver.** Failure to insist upon strict compliance with any of the terms, covenants, or conditions hereof will not be deemed a waiver of such term, covenant, or condition, nor will any waiver or relinquishment of, or failure to insist upon strict compliance with, any right, power or remedy power hereunder at any one or more times be deemed a waiver or relinquishment of such right, power or remedy at any other time or times.

**4.12 No Presumption.** The Parties acknowledge that any applicable Law that would require interpretation of any claimed ambiguities in this Agreement against the Party that drafted it has no application and is expressly waived. If any claim is made by a Party relating to any conflict, omission or ambiguity in the provisions of this Agreement, no presumption or burden of proof or persuasion will be implied because this Agreement was prepared by or at the request of any Party or its counsel.

**4.13 Specific Enforcement.** The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to seek an injunction or injunctions or specific performance or other equitable relief to prevent breaches or threatened breaches of this Agreement and to enforce specifically the provisions of this Agreement, this being in addition to any other remedy to which the parties are entitled at Law or in equity. Each party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at Law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Each party hereby waives any requirements for securing or posting of any bond with such equitable remedy.

(x) make any public announcement, filing or disclosure required by Law or the regulations or policies of any securities exchange or other similar regulatory body.

(b) The Company hereby acknowledges and agrees that any Ordinary Shares (including Ordinary Shares represented by ADSs) acquired by the Shareholder or its Affiliates pursuant to the Share Purchase Agreement or pursuant to Sections 2.2(a)(ii), 2.2(a)(viii) and 2.2(a)(ix) of this Agreement, in each case up to holding the Shareholder Purchase Right Shares, shall not result in the Shareholder or its Affiliates becoming an “acquiring person” or similar designation, or otherwise having their rights to acquire ADSs or Ordinary Shares limited in any way, under any “stockholder rights plan,” “poison pill,” or other comparable plan or arrangement of the Company, or any amendment or modification thereof, in effect as of the date of this Agreement or that may be adopted in the future, including, for the avoidance of doubt, the Company Rights Agreement.

Section 2.3 Suspension of Standstill. Notwithstanding anything in this Agreement to the contrary, the provisions of Section 2.1 shall be suspended if:

(a) any Person or “group” (as defined in Section 13(d)(3) of the Exchange Act) other than the Shareholder and its Affiliates: (i) executes a definitive agreement with the Company providing for (or the Board approves) a transaction or series of related transactions involving a Company Sale, provided that Section 2.1 will be reinstated if the Company publicly states that any such process has been irrevocably terminated (but only if neither the Shareholder nor any of its Affiliates nor any other Person have publicly proposed a separate, bona fide Company Sale prior to such termination, but only for so long as such proposal by the Shareholder, its Affiliates or such other Person has not been withdrawn or terminated); (ii) commences, or announces an intention to commence, a tender offer or exchange offer that, if consummated, would result in the acquisition of beneficial ownership of more than fifty percent (50%) of the Company’s issued and outstanding voting securities and, in the case of this clause (ii), the Board recommends, or publicly discloses an intention to recommend, that the Company’s shareholders tender their Shares into such offer or fails to recommend against its shareholders tendering their Shares into such offer within ten (10) Business Days after the commencement of such offer or at any time thereafter at which it publicly takes a position with respect to such offer, provided that Section 2.1 will be reinstated if any such tender offer or exchange offer is irrevocably withdrawn or terminated (but only if neither the Shareholder nor any of its Affiliates nor any other Person have publicly proposed a bona fide Company Sale prior to such withdrawal or termination, but only for so long as such proposal by the Shareholder, any of its Affiliates or such other

Person has not been withdrawn or terminated); or (iii) commences any "solicitation" of "proxies" (as such terms are defined in the rules of the SEC) to elect or remove a majority of the Board; provided that Section 2.1 will be reinstated if any such solicitation is irrevocably terminated (but only if neither the Shareholder nor any of its Affiliates nor any other Person has publicly proposed a bona fide Company Sale prior to such termination, but only for so long as such proposal by the Shareholder, any of its Affiliates or such other Person has not been withdrawn or terminated); or

(b) the Company publicly discloses that it has authorized a process for the solicitation of offers or indications of interest with respect to a Company Sale, and fails to invite the Shareholder to participate in the process on substantially the same terms as apply to other participants; provided that Section 2.1 will be reinstated if the Company publicly states that any such process has been irrevocably terminated (but only if neither the Shareholder nor any of its Affiliates nor any other Person has publicly proposed a bona fide Company Sale prior to such termination, but only for so long as such proposal by the Shareholder, any of its Affiliates or such other Person has not been withdrawn or terminated).

Section 2.4 Essential Consideration. The parties hereto acknowledge and agree that the rights and obligations of the parties hereunder, including the Shareholder Standstill, are given in consideration for the rights and obligations undertaken under the Share Purchase Agreement, and without limiting the generality of the foregoing, constitute essential and integral consideration to the parties for their execution of the Share Purchase Agreement.

### **ARTICLE III** **ADDITIONAL AGREEMENTS**

Section 3.1 Shareholder Representative. (a) The Shareholder shall have the right, exercisable by delivering notice to the Company, to designate one individual to attend all meetings of the Board in a non-voting, observer capacity (the "Shareholder Representative") for so long as (i) the Shareholder and its Affiliates beneficially own in the aggregate at least the Shareholder Representative Threshold Shareholding in the Company, and (ii) the Shareholder and its Affiliates comply in all material respects with the provisions of Sections 2.1 (Standstill), 3.2 (Investment Restrictions) and 3.3 (Transfer Restrictions).

(b) The Company shall (i) provide to the Shareholder Representative notice of all Board meetings and a copy of all materials provided to the members of the Board in their capacity as such at the same time such materials are provided to the members of the Board, and (ii) take reasonable measures to facilitate the Shareholder Representative's attendance of any such meeting in accordance with this Section 3.1(b); provided, that, notwithstanding any other provision of this Section 3.1, (A) the Shareholder Representative shall agree to hold in confidence all information provided (provided that the Shareholder Representative shall not be restricted in any confidential communications or discussions with or the confidential provision of information to the Shareholder and its Affiliates and their respective directors, officers, employees, accountants, agents, counsel and other representatives), (B) such Shareholder Representative, the Shareholder and its Affiliates shall, in each case to the sole extent that (x) the Shareholder is entitled to designate and has designated the Shareholder Representative pursuant to Section 3.1(a) and (y) such Shareholder Representative has all the rights and benefits under this Agreement, be subject to the Company's insider trading policies and procedures and shall sign an acknowledgement form stating the agreement to comply with such policies and procedures (it being understood

that such insider trading policies and procedures shall not restrict the Shareholder or its Affiliates from purchasing ADSs or Ordinary Shares during any “blackout” or similar non-trading period if such purchases are made pursuant to a purchase plan established in accordance with Rule 10b5-1 of the Exchange Act) and (C) the Shareholder Representative may be excluded from all or a portion of any meeting or from receiving all or a portion of any materials provided to the member of the Board (x) to the extent that the presence of the Shareholder Representative at such meeting or any portion thereof or the receipt by the Shareholder Representative of such materials or any portion thereof, as the case may be, could reasonably be expected to result in, based on the advice of the Company’s external counsel, the loss of attorney-client privilege in relation to the Company, its Subsidiaries or its Affiliates, or (y) to the extent the subject matter to be discussed at the meeting concerns (1) the Company’s rights under agreements with the Shareholder or its Affiliates or (2) matters related to business competition between the Company or its Subsidiaries, on the one hand, and the Shareholder or its Affiliates, on the other hand; it being understood that the Shareholder Representative shall not constitute a member of the Board and shall not be entitled to vote on, or consent to, any matters presented to the Board. For the avoidance of doubt, subject to the first sentence of this Section 3.1(b), in the event that any regular or special meeting of the Board is convened, the Company shall be deemed to be in full compliance with the provisions of this Section 3.1(b), if the Shareholder Representative is given notice in the same form and manner as, and a copy of the same materials as and when provided to, the members of the Board and the Company takes reasonable measures to facilitate the Shareholder Representative’s attendance of any such meeting in accordance with this Section 3.1(b).

(c) The Company acknowledges and agrees that the Shareholder Representative shall not, acting solely in the capacity of an observer of the Board and in compliance with this Section 3.2, owe to the Company any fiduciary duty.

Section 3.2 Investment Restrictions. Unless otherwise agreed by both the Shareholder and the Company in writing, the Shareholder covenants and agrees with the Company that for as long as the Company is in full compliance with, and the Shareholder has the right to designate the Shareholder Representative in accordance with, Section 3.1 (to the extent then in effect and applicable), the Shareholder shall not, and shall cause its Affiliates not to: (i) effect, offer or propose (whether publicly or otherwise) to effect, or announce any intention to effect or cause or participate in or assist any other Person to effect, offer or propose (whether publicly or otherwise) to effect or participate in (A) any acquisition of any securities (or beneficial ownership thereof) or assets of any Competitor, including rights or options to acquire such ownership, (B) any tender or exchange offer, merger, consolidation, amalgamation, scheme of arrangement, or other business combination with any Competitor, or (C) any recapitalization, restructuring, liquidation, dissolution or other similar transaction with respect to any Competitor; (ii) form any partnership, joint venture or other business entities with any Competitor; or (iii) take any action that would have the effect of any of the transactions described in clause (i) or (ii) above; except that (x) Naspers Limited may, directly or indirectly through its Affiliates, acquire securities (or beneficial ownership thereof) of Meituan and its Affiliates for cash consideration in the aggregate of no more than US\$100,000,000 without obtaining any influence on, or information access to, Meituan’s board of directors, and (y) Naspers Limited may, indirectly through a passive investee company over whose investment decision Naspers Limited has no control or influence, acquire securities (or beneficial ownership thereof) of Meituan and its Affiliates. For the avoidance of doubt and without limiting the generality of Section 4.2(a)(ii), this Agreement

may be terminated by the Company immediately in its entirety if the Shareholder or any of its Affiliates fails to comply in any material respect with this Section 3.2.

Section 3.3 Transfer Restrictions. If the Shareholder or any of its Affiliates proposes to transfer, directly or indirectly, any Ordinary Shares to any Competitor (except (i) in capital markets transactions of Equity Securities of the Company where any Competitor participates without the Shareholder's or any of its Affiliates' knowledge or (ii) in tender or exchange offers, acquisitions or other business combination transactions where all the Company's shareholders have the right to participate on the same terms and conditions as the Shareholder), the Shareholder shall promptly give the Company a written notice of the Shareholder's intention to make the transfer (the "Transfer Notice"), which shall include (A) a description of the Ordinary Shares subject to the transfer, (B) the identity of the Competitor and (C) the consideration (the "ROFR Consideration") and other material terms and conditions upon which the proposed transfer is to be made. The Company may exercise its right of first refusal under this Section 3.3 (the "Right of First Refusal") by delivering to the Shareholder an irrevocable written notice (the "Acceptance Notice") within ten (10) Business Days after its receipt of the Transfer Notice to acquire all, but not less than all, of the Ordinary Shares subject to the transfer at the same price (payable entirely in cash as described below) and subject to the same terms and conditions as described in the Transfer Notice; provided that if the aggregate value of such ROFR Consideration exceeds an amount separately acknowledged by the Shareholder and the Company (the "Cap Price"), then the Company may exercise its Right of First Refusal at the Cap Price and otherwise subject to the same terms and conditions described in the Transfer Notice. The Company shall pay the ROFR Consideration or the Cap Price, as applicable, entirely in cash. If all or any portion of the ROFR Consideration is payable other than in cash, the cash price payable by the Company shall be determined based on the cash-equivalent value of any non-cash consideration as determined reasonably and in good faith by the board of directors of the Shareholder and agreed by the Company. If the Company exercises its Right of First Refusal, such transaction shall be consummated as soon as reasonably practicable after the delivery of the Acceptance Notice. If and to the extent that the Company fails to exercise its Right of First Refusal timely or, at all, the Shareholder or its Affiliate may then proceed with the transfer of Ordinary Shares to the Competitor on terms and conditions no more favorable to the Competitor than those set forth in the Transfer Notice.

Section 3.4 Anti-Dilution Right. Notwithstanding anything to the contrary herein, if at any time after the date on which the Shareholder notifies the Company in writing that the Shareholder and its Affiliates beneficially own a number of Ordinary Shares (including Ordinary Shares represented by ADSs) of the Company equal to or greater than 10.7% of the Company's issued and outstanding share capital on an actual basis (the "Anti-Dilution Right Vesting Date"), the Company proposes to sell, offer or issue any new Equity Securities in a Diluting Transaction (as defined below), the Shareholder and its Affiliates holding Ordinary Shares (including Ordinary Shares represented by ADSs) shall have a right (the "Anti-Dilution Right") to purchase, in the aggregate, for the Anti-Dilution Consideration (as defined below), a number of Equity Securities ("Anti-Dilution Securities") such that the Shareholder's and its Affiliates' aggregate percentage ownership in the Company's issued and outstanding share capital on an actual basis giving *pro forma* effect to any such sale, offer or issuance shall be equal to 10.0%. For the purposes hereof, "Diluting Transaction" means any one or a series of transactions within the same scheme involving the sale, offer or issuance of Equity Securities that would, giving effect on a *pro forma* basis to such transactions, reduce the aggregate percentage ownership of Ordinary Shares (including

Ordinary Shares represented by ADSs) beneficially owned by the Shareholder and its Affiliates to an amount less than 10.0% of the Company's issued and outstanding share capital on an actual basis. For the avoidance of doubt, the Anti-Dilution Right in this Section 3.4 shall not apply to any sale, offer or issuance of Equity Securities (i) to employees, officers or consultants pursuant to any employee benefit plan, employee stock option plan or similar share-based plan of the Company, (ii) in connection with any exercise of conversion rights by any Person holding any convertible securities of the Company, (iii) in connection with any share split, share dividend or any subdivision of Ordinary Shares or other similar event in which all the Shareholders are entitled to participate on a pro rata basis, or (iv) any securities issued pursuant to any transaction or any series of transactions that constitute a Company Sale. The Shareholder's and its Affiliates' percentage ownership, for purposes of any relevant event, shall be the percentage equivalent of a fraction, the numerator of which shall be the aggregate number of Ordinary Shares and Ordinary Shares represented by ADSs held by the Shareholder and its Affiliates immediately prior to the date of such event and the denominator of which shall be the total number of Ordinary Shares outstanding immediately prior to the date of such event. For the purposes hereof, "Anti-Dilution Consideration" means an amount equal to (i) the Current Market Price as of the trading day preceding the date of such Diluting Transaction multiplied by (ii) the number of Anti-Dilution Securities (determined on an ADS-equivalent basis if at the time ADSs are the primary listed and traded Equity Security of the Company based on the then applicable ratio of ADSs to Ordinary Shares, which on the date of this Agreement is eight to one (8:1)). The Company shall provide the Shareholder, on a quarterly basis upon written request of the Shareholder, with such information regarding the Company's issued and outstanding share capital on an actual basis or on a fully-diluted basis, as described in the written request of the Shareholder. After the date on which the Shareholder notifies the Company in writing that the Shareholder and its Affiliates beneficially own a number of Ordinary Shares (including Ordinary Shares represented by ADSs) equal to or greater than 10.0% of the Company's issued and outstanding share capital on an actual basis, the Company will notify the Shareholder as promptly as reasonably practicable of any transaction involving the sale, offer or issuance of Equity Securities that would, giving effect on a pro forma basis to such transaction, reduce the aggregate percentage ownership of Ordinary Shares (including Ordinary Shares represented by ADSs) beneficially owned by the Shareholder and its Affiliates. The Shareholder also agrees to notify the Company from time to time and promptly upon any change of its beneficial ownership of Ordinary Shares (including Ordinary Shares represented by ADSs).

Section 3.5 Company Rights Agreement. The Company acknowledges and agrees that it shall not, and shall cause the Rights Agent (as such term is defined in the Company Rights Agreement) not to, supplement or amend in any way the definition of Exempt Person therein insofar as it relates to Naspers Limited, the Shareholder or any of their respective Subsidiaries (as such term is defined in the Company Rights Agreement), in any way that would change or would reasonably be expected to adversely affect their status as Exempt Persons, in any case without prior written consent of MIH B2C, unless and until this Agreement is terminated by the Company pursuant to Section 4.2. For the avoidance of doubt, the Company has the right, but not the obligation to, and to cause the Rights Agent to, supplement or amend the Company Rights Agreement for any reason that does not relate to supplementing or amending the definition of Exempt Person therein insofar as it relates to Naspers Limited, the Shareholder or any of their respective Subsidiaries in any way that would change or would reasonably be expected to adversely affect their status as Exempt Persons.

**ARTICLE IV**  
**MISCELLANEOUS**

Section 4.1 Termination of Standstill. The Shareholder Standstill shall terminate automatically upon the earliest to occur of:

For the avoidance of doubt, the termination of the Shareholder Standstill in accordance with this Section 4.1 will not automatically terminate this Agreement.

Section 4.2 Termination of Agreement.

(b) This Agreement shall terminate in its entirety upon the mutual written consent of the Company and the Shareholder.

(c) This Agreement shall be of no further force or effect upon termination pursuant to this Section 4.2.

Section 4.5 Public Disclosure. Except as provided in the Share Purchase Agreement, none of the parties nor their respective Affiliates shall issue or cause the

publication of this Agreement or any press release or other public announcement or communication with respect to the transactions contemplated hereby except to the extent a party's counsel deems such disclosure necessary in order to comply with any Law or the regulations or policies of any securities exchange or other similar regulatory body (in which case the disclosing party shall give the other parties notice as promptly as is reasonably practicable of any required disclosure to the extent permitted by applicable Law), shall limit such disclosure to the information required to comply with such Law or regulations, and if reasonably practicable, shall consult with the other party hereto regarding such disclosure and give good faith consideration to any suggested changes to such disclosure from the other parties.

Section 4.6 Amendment. Any provision of this Agreement may be amended if, but only if, such amendment is in writing and is duly executed and delivered by or on behalf of each of the parties hereto.

Section 4.7 Waiver and Extension. Any party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered by the other party pursuant hereto or (c) waive compliance with any of the agreements of the other party or conditions to such party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. No waiver of any representation, warranty, agreement, condition or obligation granted pursuant to this Section 4.7 or otherwise in accordance with this Agreement shall be construed as a waiver of any prior or subsequent breach of such representation, warranty, agreement, condition or obligation or any other representation, warranty, agreement, condition or obligation and no waiver of any condition granted pursuant to this Section 4.7 or otherwise in accordance with this Agreement shall be construed as a waiver of any representation, warranty, agreement or covenant to which such condition relates. The failure of any party hereto to assert any of its rights hereunder shall not constitute a waiver of any of such rights.

Section 4.8 Fees and Expenses. Each party hereto shall pay all of its own fees and expenses (including attorneys' fees) incurred in connection with this Agreement and the transactions contemplated hereby.

Section 4.9 Assignment. This Agreement and the rights and obligations of the parties hereunder may not be assigned by any party hereto without the written consent of the other party hereto. Any assignment in violation of this Section 4.9 shall be null and void.

Section 4.10 No Third-Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever.

Section 4.11 Governing Law; Arbitration.

(a) This Agreement and disputes relating hereto (whether for breach of contract, tortious conduct or otherwise) shall be governed by, and construed in accordance with, the Laws of the State of New York, without reference to its conflicts of law principles.

(b) For any dispute arising out of or in connection with this Agreement or the transactions contemplated hereby, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the ICC Arbitration Rules, which are deemed to be incorporated by reference into this clause.

- (i) The number of arbitrators shall be three.
- (ii) The seat, or legal place, of arbitration shall be New York, New York.
- (iii) The language to be used in the arbitral proceedings shall be English.

(iv) Without prejudice to any party's right to seek emergency, conservatory or interim measures of relief in any arbitral proceeding initiated in accordance with the ICC Arbitration Rules, any party may apply at any time to a court of competent jurisdiction for interim or emergency relief, including conservatory measures of protection or a preliminary injunction.

Section 4.12 Entire Agreement. Unless the parties hereto specifically agree otherwise, this Agreement and the Share Purchase Agreement constitute the entire agreement between the parties with respect to the subject matter of this Agreement and supersede all prior agreements and understandings, both oral and written, between the parties or their Subsidiaries and Affiliates with respect to the subject matter of this Agreement.

Section 4.13 Severability. If any term or other provision of this Agreement is held to be invalid, illegal or incapable of being enforced under any applicable Law or any Governmental Order, such term or other provision shall be excluded from this Agreement and all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to either party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Company and Shareholder shall negotiate together in good faith to modify this Agreement so as to effect the original intent of both the Company and Shareholder as closely as possible in an acceptable manner in order that the transactions contemplated by this Agreement are consummated as originally contemplated to the greatest extent possible.

Section 4.14 Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 4.15 Specific Performance. The parties hereto acknowledge and agree that irreparable damage would occur, no adequate remedy at law would exist and damages would be difficult to determine if any of the provisions of this Agreement are not performed in accordance with their specific terms. Accordingly, in addition to any other right or remedy to which a party hereto may be entitled, at law or in equity, such party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without the necessity of proving the

inadequacy of money damages as a remedy and without the necessity of posting any bond or other undertaking.

Section 4.16 Further Assurances. Each of the Company and the Shareholder agrees to, and the Shareholder agrees to cause its Affiliates to, execute and deliver, upon the written request of any other party, any and all such further instruments and documents as are reasonably necessary or appropriate for the purpose of obtaining the full benefits of this Agreement.
